***HOMEBUILDER'S ASSOCIATION OF GREATER LITTLE ROCK UNVEILS  
GREEN BUILT® MODEL HOME***

**July 19, 2010** – The GREEN BUILT® Arkansas Model Home is preparing to make a grand entrance on August 27th! After extensive planning sessions from the Homebuilder's Association of Greater Little Rock's 33 Certified Green Professionals and its GREEN BUILT® Council, members are hosting a Ribbon Cutting Ceremony and tour that evening.

In just a few short weeks, the GREEN BUILT® Model Home will be complete and gearing up for several special events. The HBA is proud to announce that the National Association of Home Builders Chairman, Bob Jones, will be attending the Ribbon Cutting ceremony as our guest of honor, along with other notable officials. The HBA will also host several VIP Receptions for the construction industry, government officials and realtors and appraisers. The receptions will culminate with our Consumer Open House scheduled for the weekend of September 17-19.

For more information on the GREEN BUILT® Model Home, please contact the HBA at 501-758-3646 or visit [www.hbaglr.com](http://www.hbaglr.com).

###

The Home Builders Association of Greater Little Rock was established in 1952 to promote the housing industry, and professionalism within the industry. Quality workmanship and products, reliable craftsmanship, and a desire to provide safe and secure homes for the Central Arkansas area have been the benchmark of the Association for nearly 60 years.
